To whom it may concern:

This is to verify that Matt May has worked for Gear Up/Thomson Reuters in a variety of positions in a variety of locations, both as an assistant to myself as well as on his own and as a team leader. He has worked for us since December of 2008.

Our company holds live seminars nationwide and we hire temporary employees to act as registrar/on site coordinator. Matt has proven himself to be an exemplary worker regardless of the location we send him to or whether he is working as part of a team or solo. He is personable, responsible, and proactive. We wish we could afford to send him to more seminars than just the ones in Florida.

If you desire more information, please do not hesitate to contact me.

Sincerely,

Stephen G Ball
Operations manager, Gear Up Tax Seminars, a division of Thomson Reuters
